* Please attach additional sheets if further information is required to complete your request

Applicant's Name: _____ Age: _____ Date: _____

1) **Type of System** (please check one): Laptop _____ Desktop _____ Tablet _____

2) **Type of Computer**: Mac _____ PC _____ Either/No Preference _____

Please note that Macs are significantly more expensive than PCs & laptops are more expensive than desktop computers. Also, please take into consideration that both laptops and tablets are at a higher risk of breaking, theft, or being lost. If you indicated that you prefer a Mac or a laptop, please explain why and whether there is a strong educational need for a specific type of computer/tablet:

If there is a specific computer or tablet you want, please provide the manufacturer, model # and product specs or the link to a specific website for the item(s), or attach a print out:

3) **Hardware/Accessories** Please indicate any additional components (extra memory, printer, carrying case for laptop, etc) that you would like included in the computer purchase and why you need them (please note, this is only a request, items purchased will depend on need and cost):

4) **Software** Please indicate any software you need and why (e.g. Microsoft Office, specialty graphics or editing programs, dictionary, etc):

5) **Shipping Information:** Please provide the address where we should send the computer (please note that we cannot ship to PO Boxes):

6) **Contact information:** Please indicate the best way to contact you if we have any questions about this request:

7) Have you received an RFC grant for a computer or tablet in the past? If yes, when and for what device? Why do you need another computer or tablet?

The Board's strong preference is to make grants for computers only if the proposed grantee is aged 10 or older. The Board's consideration of requests for computers for children under age 10 will be dependent upon proof of a demonstrable educational and/or therapeutic need.

Replacement policy: except for extraordinary circumstances, the RFC will only award one computer or tablet for any individual in a three year period.
